DIOCESAN PRAYER FOR OUR PARISHES:

God of Love, as we follow Christ in the footsteps of St Chad, we pray that the thousands of people in Endon, Stanley, Brown Edge and Bagnall encounter a church that is confident in the gospel, knows and loves its community, and is excited to find you at work already in the world. We pray for a church that reflects the richness and variety of those communities. We pray for a church that partners with others in seeking the common good, working for justice as people of hope. Amen.

MOTHERS' UNION NEWS

The Mothers' Union Wave of Prayer is in February. Our time slot this year is on **10th February** from 12.40 pm to 1.00 pm. As this is Sunday lunchtime we have decided NOT to meet in the Chapter House to pray together. Each member should have the prayers and readings as prepared by the MU. Please use these at home as near to our slot as possible.

WORLD DAY OF PRAYER

The annual World Day of Prayer (previously known as the Women's World Day of Prayer) will be held at the Methodist Church on Friday **1st March** at 2.00 pm. ALL ARE WELCOME. This year's service has been written by the women of Slovenia.

The theme is '**Come - Everything is Ready.**'

Those involved in reading at the service will need to attend the rehearsal the week before on Friday 22nd February at 2.00 pm, also at the Methodist church.

Extra Ordinary Presence

The Archdeacon's Pastoral Letter for February 2019
As we await the appointment of a new Bishop of Shrewsbury, our Archdeacon of Stoke writes this month's pastoral letter...

Though it was many years ago, it has stayed with me as a memory. Because my school was a Church of England school, we had termly evening Communion services to which parents were also invited. On this occasion there was an eminent speaker and the hall was full. After the service, I found myself, aged 16, in conversation with the speaker. I cannot recall anything of what he said to me but to this day I remember that, despite all the other people milling around us, he gave me his full and undivided attention. It was more than flattering. I sensed a real interest in me as a person and a genuine regard and encouragement.

This is in contrast to those times when we feel that the person we are with would rather be talking to someone more interesting or important elsewhere in the room. We may have been guilty of it ourselves – looking over the shoulder of the person before us, eyes flicking back and forth, scanning the crowd for the next, more rewarding (we think), encounter.

February this year is an “in-between” month. The great cycle of Christmas and Epiphany concludes at the beginning of the month with Candlemas and Lent and Easter are yet to come in March and April. This February, we return briefly in the church calendar to what is called “ordinary time”, to those humble Sundays that are “before” or “after” some great celebration. It may be that we are tempted this month – and whenever we find ourselves in those “in between” times in life – to “look over the shoulder” of the present moment to what we imagine are more exciting times ahead. It's great to be able to look forward to the future but there is the danger that we stop expecting to meet God in the present, especially if the present feels to be one

of those “in between” times. The fact is God wants to bless us *now*, speak to us *now*, call us to service *now* and not just in the future.

It’s a temptation to rush on to whatever is next. This month we are invited to practice the presence of God; to give the present moment our full regard and listen out for God’s word to us now. So we learn, as Rob Bell puts it, “how to be here”.

Matthew

Archdeacon of Stoke-upon-Trent*

Churchyard Birds

This time of year the churchyard can seem barren and empty at first glance. However, if you wrap up warm enough and spend a peaceful half an hour sitting, you may see a variety of winter visitors such as fieldfares and redwings, both types of thrush, which migrate from colder climes. In addition, look out for song thrushes, mistle

thrushes and blackbirds which also descend on yew trees to eat the berries. Last winter saw an unusually large number of migrant hawfinches, a brightly coloured finch with a large strong bill for cracking seeds – many eager bird watchers were also to be seen in churchyards at that time!

Churchyards have acted as sanctuaries for yew trees over thousands of years. The most significant collection of old trees in Europe is to be found in the churchyards of England and Wales, where approximately 800 yews with an age above 500 years have been recorded. Churchyards are sometimes referred to as the ‘Noah’s Ark’ for yews. If you want to find out how to look after your yew we have an information sheet ‘Yews and Other Veteran Trees’ which is on our website, along with an informative short video by yew tree specialist Russell Ball.

If you do record any bird species – we would love to hear!

NEWS FROM ST CHAD'S

The Leprosy Mission

The Service at St Chad's on 27 January marked World Leprosy Day. The Leprosy Mission has asked us to pray with them for those hiding symptoms of leprosy for fear of rejection in its bid to rid Nepal of this ancient disease. Although often regarded as a disease confined to Biblical times, leprosy is a real 21st Century problem with around a quarter of a million new cases diagnosed and treated each year.

There are thousands of cases of undiagnosed leprosy in Nepal today, leaving many already living in poor conditions disabled and shunned because of stigma and fear. Leprosy causes nerve damage leaving hands and feet numb and vulnerable to wounds, leading to infection, amputations and permanent disabilities. The problem is made worse when the stigma of leprosy means the person is outcast and often extremely poor. Many have no access to healthcare, and live in makeshift homes where poor sanitation presents a constant threat.

Twenty-five-year-old Ram lives in Nepal and used to work as a stonemason, a job requiring intricate craftsmanship, but is no longer able to work after leprosy caused his hand to claw. Ram is newly-married but his young wife is unaware his disability is caused by leprosy. Ram is afraid his wife might not accept him if she knew the truth. Often there is fear around leprosy in communities like Ram's, where this ancient disease can be seen as a curse.

But everyday leprosy patients are being met by outreach workers, diagnosed, given the cure, and nurtured back to health at Anandaban Hospital in the foothills of the Himalayas. Anandaban Hospital is a light in the darkness for Ram, a hospital shining bright on a hill. It was at Anandaban Hospital that Ram received life-changing surgery to straighten his fingers. Having been loved and nurtured back to health by the caring staff at Anandaban Hospital, he is beginning to find the inner-strength to claim back what leprosy has taken from him.

Just as Jesus reached out to the man with leprosy and gave him complete healing – physically, emotionally and spiritually – The Leprosy Mission is

asking Christians to follow our Lord's example by praying for and supporting its 'Heal Nepal' campaign.

'Heal Nepal' will not only train local leaders to find people affected by leprosy and get them the cure. It will also provide love and acceptance. It will help people regain their mobility and reclaim their income, their freedom, their dignity. People with leprosy are often hidden in remote, hard-to-reach villages and mountainous areas, and Heal Nepal will help train local workers to find people and get them the cure before leprosy takes hold. For those who have already been seriously affected by leprosy, Heal Nepal will bring them to Anandaban Hospital for vital treatment such as physiotherapy, surgery and prosthetic limbs.

It costs just £24 to find and cure somebody with leprosy. And the amazing news is that thanks to UK Aid Match, from 27 January to 27 April 2019, your donation will be doubled by the UK government. So if you give £24 to find and cure one person from leprosy, you are actually helping two people.

BBC Songs of Praise presenter Pam Rhodes recently visited Anandaban Hospital. Pam said: "Leprosy has been completely curable for over 30 years yet still has the power to crush and oppress our brothers and sisters. The staff at Anandaban Hospital is on a Christ-like mission to heal and love people with leprosy."

Morning Prayer

At the request of some members of the congregation, St Chad's tried two services in September and November just using the Morning Prayer leaflet. People were then asked to give their comments.

There was a good response both in writing and verbally and the comments ranged from "If it ain't broke, don't fix it" to "variety is the spice of life" with everything in between. Seriously, though, some people preferred the more solemn, meditative form of the traditional service, whilst others enjoyed the livelier, light hearted format as at present. There were also a number of people who came to St Chad's to worship and were happy to do just that whatever form the service took. All ages and genders participated and everyone's views were considered.

After a very lively discussion at the PCC meeting on Monday 6th January,

some decisions were made concerning the format of the Morning Prayer service on the 4th Sunday of each month.

In true democratic principle a compromise was reached. Kathryn and Muriel will “adjust” the Morning Prayer leaflet to accommodate the present format, but with the opportunity to use alternatives. There will be the normal opening activity or “setting the scene”, and different confessions and creeds where appropriate and the usual summary. However, the tone of the service will possibly be quieter and thoughtful. The new card will be ready for approval at the next PCC meeting in March, and should be ready to use thereafter.

Christmas card

The money raised from our giant Christmas card and the Journey to Bethlehem has reached £255. This will be passed on to Horton Lodge special school as soon as possible. Thanks to everyone who contributed.

Don't forget.....

The church will **NOT** be open on a Wednesday morning during the winter months.

Sessions are led by Pauline Shaw and Jeanette Lackey from Endon Floral Arts and take place fortnightly

NEWS FROM REV JULIE

Rev Julie has shared with us that her term of ministry in Endon will come to an end this summer. As you may know she will be getting married to Richard in July. She will then be based in Cheadle as Superintendent Minister for the Methodist Staffordshire Moorlands

circuit. Her successor will be Rev Eleanor Smith who will be coming from Lincolnshire but knows our area well as she used to work for Staffordshire Moorlands District Council in Leek. We shall all miss Julie but we hope to keep in touch with her. We continue to pray for both Julie and Richard and that the Lord will richly bless their lives together. We have enjoyed a very good relationship with folk at Endon Methodist Church for many years and we are sure that will continue.

Endon Well Dressing - End of May Bank Holiday Weekend

Ian and Sheelagh have done an amazing job over the years organising the well dressing stall and raising lots of money but will be stepping back this year. We need volunteers and lots of soft toys and prizes to give away. We will also be organising the car boot sale so volunteers will be great.

Help with Letters!

Is there anyone who can help by sending letters and going round shops/businesses to ask for support with auction/raffle items?

Fundraising Ideas:

Suzan recently went to the Stafford's group Fashion Show fundraiser - this could be something that we could organise.

John suggested a sponsored skydive, parachute jump or bungee jump would be of any interest - let us know if you think this is something you might want to do.

If anyone has any other ideas for fundraising please let us know - all ideas welcome.

LEEK FOOD BANK UPDATE

It has been a very busy period. Many donations have been received for which we are grateful, but our stocks have been going out as fast as it they have come in.

Every morning we wondered how we were going to store any more food, and every afternoon we wondered how we were going to fill our shelves again ready for the next session. We have been thankful to God that the balance has been just about been maintained, though we had to buy in some goods and fortunately we had the resources to do that.

Currently we would particular welcome...

- UHT milk, skimmed, semi or full cream
- Coffee
- Mash
- Jam
- Custard
- Sponge puddings
- Tinned fruit
- Fruit cordial
- Sturdy carrier bags
- Hair conditioner
- Women's deodorant
- Toothbrushes
- Dog food

We have plenty of...

- Porridge
- Soup
- Cereals
- Soap
- Pasta
- Baked beans

Because of the impossible challenge of entering information into the computer on each given session the following statistics apply for the dates 1st December to 16th January. It will mean that next month the figures will be somewhat lower as a result.

During this period, we honoured 72 vouchers representing 103 adults and 94 children totalling 197. Last year over the same period 1st Dec – 16th Jan we honoured 88 vouchers representing 129 adults and 1 child totalling 230 people.

Over this period we have had lower demand. Verbal accounts of business are not to be lightly discounted as it may be that the distribution rate this year was more focussed in the two weeks before Christmas than was the case last year.

It is the case that overall there was lower demand, but this may or may not mean that people are in less need – it may simply be that they aren't being directed to the foodbank.

Whatever the exact situation it remains clear that there is still great need for the foodbank services, and we are grateful to all who have donated food and finance to the foodbank over this period. It has been vital in keeping us going.

A total of 3165 kg (3806 for last year) left the warehouse and 3838 kg (3812 for last year) came in which is a reasonable position to be in after the Christmas period.

MANY THANKS FOR ALL YOUR HELP!

Peter Davies

Leek and District Foodbank Project Coordinator
